About New Procedures for Opening and Maintaining an Account

Mandated by the **USA Patriot Act**

To help the federal government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act, a Federal law, requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you:

When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
